Response to Amendment

1. The amendment filed 1/06/2003 has been entered.
2. The rejection of claims 16-21, 28-31 and 38-44 under 35 U.S.C. §112, second paragraph has been withdrawn because of the amendment.
3. The rejection of claims 16-21, 28-31 and 38-44 under 35 U.S.C. §102 (b) is withdrawn because of the amendment.

New Grounds of Rejection Necessitated by the Amendment

Claim Rejections - 35 USC § 112

5. The following is a quotation of the first paragraph of 35 U.S.C. 112:

The specification shall contain a written description of the invention, and of the manner and process of making and using it, in such full, clear, concise, and exact terms as to enable any person skilled in the art to which it pertains, or with which it is most nearly connected, to make and use the same and shall set forth the best mode contemplated by the inventor of carrying out his invention.

6. Claims 16-21, 28-31 and 38-44 are rejected under 35 U.S.C. 112, first paragraph, as containing subject matter which was not described in the specification in such a way as to reasonably convey to one skilled in the relevant art that the inventor(s), at the time the application was filed, had possession of the claimed invention. Although the limitations do not need to be verbally and exactly expressed in the specification, the limitations need to be discussed in the specification at some degree. The newly added concept in the claim language “in

the absence of material containing alcohol groups” is not explicitly discussed in the specification. Thus, it constitutes the new matter.

7. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the date of this final action.
